LYNCHBURG'S NEW HOTEL

merce on Thursday made the atmost engaged in raising the sunken battleship Maine from Havana harbor charles E. Twigg and Mary Grace with the set of those engaged in raising the sunken battleship Maine from Havana harbor charles E. Twigg and Mary Grace with the disaster was due to an internal explosion.

In the mud and silt in which the built lies buried have been found much built lies buried have been found.

J. C. McKown, of Paw Paw, W. Va. Was found beneath the wrecked caboose. Frederick was arrested shortly after the wreck and standing on a turnable. The three locomotive which was standing on a turnable. The three locomotive was due to an internal explosion.

J. C. McKown, of Paw Paw, W. Va. twenty-five miles east of Cumberland, declares that last summer he sold to twenty-five miles east of Cumberland, declares that last summer he sold to Twigg four pounds of cyanide of potas when the explosion came and the ship sank. day or two. The success of the chamber's plan to build a fine hotel in the Hill City is the best sort of an which was stored powder and cities.

Engineer officers think the coal and the bodies of the men were blown from the battleship by an explosion in one of the air tight compartments in which was stored powder and cities.

Engineer officers think the coal and the bodies of the men were blown from the battleship by an explosion in one of the air tight compartments in which was stored powder and cities. in the Hill City is the best sort of an advertisement for Lynchburg and will convince anyone who is skeptical that the business men of that town are wide-awake. We sincerely pray that the example set by Lynch burg will be followed here, where we best sort of an which was stored powder and other which was stored powder and other to most one of the air tight compartments in whose ramifications combine the most extensive peach orchards in this section of the country. McKown stated in the store of C. E. Wentling at Paw Paw, that he had sold Twisg the policy for spraying in his own orchards. The poison was in a salts form, resembling small grains of the sinking of the Maine was the result of an internal explosion. It was the popular belief in this country that pray, that the example set by Lynch burg will be followed here, where xe need a hotel so much worse than our sister city, which has a fair one in The Carroll, besides some smaller hostelries, and that the year just begun will certainly witness the beginning, if not the completion, of a first-cless hotel in this case will be adding the stand of the database was the followed here, where xe sult of an internal explosion. It was starch in telling the assembled group in the Wentling store about the incident which the use of a mine or some high explosive because of this country that some Spaniard had wrecked the Maine the Wentling store about the incident Mr. McKown said that after reading about the tragedy it occurred to him they were in the wentling store about the incident Mr. McKown said that after reading about the tragedy it occurred to him that when had sold Twige cyanide of potation that swept over the country precipitated the war with Spain.

With the present progress of the work the hull should be raised by April. There is some fear that the hull several commercial travelers.
